

REMARKS

The Official Action is a restriction requirement in which it is urged that there are two separate and distinct inventions claimed in this application. Applicants elect the Group II invention drawn to a method of making an unmemory cold deformable object which includes claims 14-25, without traverse. Applicants have canceled claims 1-13 without prejudice or disclaimer as being directed to the non-elected invention. Applicants reserve the right to file a divisional application on the non-elected invention at a later time.

In view of the election of the Group II invention, without traverse, and the cancellation of claims 1-13, an early and favorable action on the merits is now believed to be in order and is most respectfully requested.

Respectfully submitted,
BACON & THOMAS, PLLC
